1 - 5	Jerry Williams Irene Williams Cherry Povall Gerry Ellis Jeff Green * only with attached statement  I have attended those training sessions between January and September which I felt would benefit me and enhance my role as a local Councillor. In addition I have undertaken training at my place of work and with Magenta Living where I am a Board Member. Over the years I have taken part in many training events covering the following: Safeguarding, Personal Leadership, Audit, Finance, Corporate Parenting, Equality and Diversity, Member Conduct and Standards. This is not an exhaustive list but given to demonstrate my commitment to ongoing personal development.

2013**

	<p>Tom Harney Tony Cox Mark Johnston Lesley Rennie * only with attached statement</p> <p>I attended the first Training Exercise under this new 'regime' which was held at The Laurie's Centre in Birkenhead. I am sorry to have to say but I found it to be in parts extremely patronising and I learnt very little. I fully support the idea that Members receive regular Training. It is for this reason that I attend many and various Training Events organised by Merseyside Fire and Rescue Service where I am a Member of the Fire Authority.</p> <p>I have received regular training in Finance, Understanding Budgets, Audit, Member Conduct and Standards, Legal Implications, Equality and Diversity, Discipline and Appeals Procedures, Scrutiny, and even training in the use of Defibrillators, which as you will know are widely available in many public places and can save a life if used correctly with the right training. These are only a few examples of training events I have attended. My full attendance is available from MFRS if anyone should wish to view it.</p> <p>These training events are delivered in a professional manner at convenient times. I see no reason to duplicate my learning and would suggest that WBC seek to deliver training events with partner agencies.</p> <p>At MFRS I am also a member of the Member Development Committee which further demonstrates my commitment to training.</p>
