Brief details of claim

Financial claim against the Official Solicitor to the Supreme Court for vicarious liability for the actions of his staff Helen Clift and Stephen Piper and the external legal representatives appointed by the Official Solicitor.

In September 2010 Mr Anelay QC Deputy High Court Judge Family Division established from Mr Dominic Brazil of Counsel 1 Kings Bench Walk that I had been a patient and subject to the Court of Protection.

Whilst I Leonard Lawrence had the protection of the Official Solicitor I was not registered as a protected party should be in the Court of Protection. With acquired brain injury I was left for seventeen months financially vulnerable at both point of trial and order of sale of a property in which, or in the proceeds of which, I had an interest. I also suffered the loss of financial and material assets.

Value

To be assessed, pending leave to appeal out of time being granted to revisit the financial settlement of an Ancillary Relief. Hearing to be heard in April 2012 at Reading County Court.

From documentation available my losses would exceed £500,000.
