Dear Mr Dransfield

Re: DATA PROTECTION REQUEST

Thank you for your request you sent us on 14 March which is being dealt with as a subject access request made under the data protection legislation.

We are sorry for the delay in responding to your request. Over the past few months we have received a larger than usual number of subject access requests and the coronavirus pandemic has meant that resources for dealing with those have been limited.

You requested the following information from the Cabinet Office:

Under protection of the GDPR 18 I wish to submit a Subject Access Request (SAR) including all meta data, My request is for all documents,email etc containing my name FROM JAN 2015 UNTIL now

I can confirm that the department does hold personal information falling within the scope of your request. The personal data held by those teams is set out in the attached schedule. I have not included in the schedule any personal information contained in any correspondence to which you are already a party, as the assumption is that you already have access to these yourself.

If you are unhappy with this response, you may make a complaint. Please set out your reasons and send your complaint to the FOI Team at subject.access@cabinetoffice.gov.uk, or FOI Team (SARs), G40, 1 Horse Guards Road, London, SW1A 2HQ.

You may also raise any concerns about how your personal data have been handled with the department's Data Protection Officer (DPO), who provides independent oversight. The DPO can be contacted at dpo@cabinetoffice.gov.uk, or room 114, 70 Whitehall, London, SW1A 2AS.

You may also complain to the Information Commissioner, who is an independent regulator. The Information Commissioner can be contacted at: casework@ico.org.uk, or Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF, or 0303 123 1113.

Any complaint to the Information Commissioner is without prejudice to your right to seek redress through the courts.

Yours sincerely

Julianne Peterson
